Deadpool

By Rhett Reese

OVER BLACK. Low volume, through a tinny speaker, JUICENEWTON'S 'ANGEL OF THE MORNING.'

FADE UP ON:

1 EXT./INT. TAXI CAB - MORNING 1

DEADPOOL, in full DRESS REDS and MASK, quietly FIDGETS in the BACK SEAT of a TAXI CAB as it proceeds along a CITY FREEWAY.

Deadpool adjusts the two KATANAS strapped to his back. Rolls the WINDOWS up, down, up. Tries futilely to untwist the seatbelt, then LUNGES forward, locking it up. Rifles through a tourist booklet and tears out a HAUNTED SEGWAY TOUR coupon.

The CABBIE, young, thin, brown, glances back and forth from the rear view to the road to the rear view.

DEADPOOL :

Kinda lonesome back here.

CUT TO:

back seat and front. His two katanas don't cooperate, catching on the Plexiglas, stalling him mid-torso.

DEADPOOL (CONT'D)

Little help?

The cabbie grabs Deadpool's hand and pulls him through to the front.

Deadpool's head rests upside down on the bench seat as he maneuvers his legs through. The cabbie turns the helping hand into a HANDSHAKE, then turns down the Juice.

CABBIE :

Dopinder.

DEADPOOL :

(still upside-down)

Pool. Deadpool.

Dopinder is remarkably UNAFFECTED by the lunatic in his cab.

DOPINDER :

Why the fancy red suit, Mr. Pool?

DEADPOOL:

It's like Christmas Day, Dopinder. Been waiting one thousand eight hundred twenty-two days, three hours...

(checks 'Adventure Time' watch)

...and thirty-six minutes for this shit.

1 CONTINUED:

DEADPOOL turns himself RIGHT-SIDE-UP in the front seat. He is YOKED to the gills and ARMED to the teeth. TWIN KATANAS. TWIN DESERT EAGLE .50 CALIBER PISTOLS.

Deadpool grabs Dopinder's OPEN BAG of CORN NUTS. Dopinder isn't quick enough to stop him. Deadpool gazes out the window onto the city - a teeming, sooty urban sprawl that looks almost... pre-post-apocalyptic.

Deadpool turns up his MASK. Dopinder catches a GLIMPSE of the bottom of a SCARRED face. And quickly looks AWAY.

Deadpool eats the CORN NUTS. CRUNCH. CRUNCH. Points.

DEADPOOL (CONT'D)

Nice.

Dopinder eyes his DAFFODIL DAYDREAM AIR FRESHENER and takes a deep breath through his nose.

DOPINDER :

Smells good, no?

DEADPOOL :

Not the Daffodil Daydream. The girl.

A PICTURE of a young INDIAN WOMAN is taped to the dash.

DOPINDER :

Ah yes. Gita. She is quite lovely. She was supposed to make me a very agreeable wife. Mom and Dad chose her rather excellently. But Gita's heart has been stolen by my cousin Bandhu. Bandhu is as dishonorable as he is attractive.

DEADPOOL :

Dopinder, I'm starting to think I'm in this cab for a reason.

DOPINDER :

Because you hailed it?

DEADPOOL :

No, my slender brown friend... to give you one crucial piece of advice: Love...

is a beautiful thing. When it finds you, the whole world smells like Daffodil Daydream.

Deadpool's own heartbreak is palpable. He takes another deep, cleansing BREATH.

DEADPOOL (CONT'D)

So hold onto love tight. Go at Bandhu hard. Get Gita back. Or else... the whole world will taste like Mama June after hot yoga.

DOPINDER :

And how does Ms. Mama June taste?

DEADPOOL :

Like two hobos making love under adrizzle of Limburger- I could go all daylike this. Point is, bad.

Deadpool chucks the bag of Corn Nuts into the back seat and pulls out his PISTOLS. He starts CHAMBERING shells into two magazines.

Suddenly, he frantically pats himself down, like a Hollywoodagent who can't find his phone.

DEADPOOL (CONT'D)

Shiiiiit. My extra mags! I usually leavethem right by the door so I'll trip overthem! Someone must've moved them...

2 INT. DEADPOOL'S LAIR - DAY 2

A blind late-70's AFRICAN-AMERICAN WOMAN in a purple floral dress enters the front door, falls as she trips over an 'I*HEART* HELLO KITTY' DUFFEL BAG of AMMUNITION, PICKS it UP, and CARRIES it OFF.

3 INT./EXT. TAXI CAB - MORNING 3

DOPINDER :

Shall we turn back?

DEADPOOL :

No time. Not today.

(slides in last bullets)

Ten, eleven, twelve... or bust.

(chambers a shell into eachgun, looks up)

Right here!

The cab SCREECHES to a stop on the shoulder of the highest FREEWAY in a massive INTERCHANGE of freeways. Dopinder haltsthe meter and

hands Deadpool his CARD.

DOPINDER :

My card. That's \$27.50.

DEADPOOL:

Oooo. I never carry a wallet when I'm
working. Ruins the lines of my suit.

How 'bout a crisp high five?

Dopinder stares as he and Deadpool slap skin. Deadpool GETSOUT of the cab.

DOPINDER :

Be sure to... ask for me again?

DEADPOOL:

I owe you one. Merry Christmas,
Dopinder.

DOPINDER:

And a convivial... Tuesday in April to
you, Pool... Guy.

Deadpool closes the door with a flourish. Boom.

4 EXT./INT. 'THE RAFT' PRISON - MORNING 4

A bone-white ISLAND PRISON, affectionately nicknamed 'TheRaft,' looms
ominously in a CITY HARBOR.

Etched in helvetica into the prison wall: 'No punishment has ever possessed
enough power of deterrence to prevent the commission of crimes.' - Hannah
Arendt. Below it, GRAFFITIED

in RED SPRAY PAINT: 'Until NOW'

The prison's FRONT DOORS OPEN, and out steps a handcuffed PRISONER, 30's,
ORANGE JUMPSUIT, broad shoulders, whip-smart,
tightly coiled, with cool, dead-blue eyes. BURLY GUARDS
guide him across a CAUSEWAY toward a CONVOY of Escalades and Ducatis on
shore.

The middle Escalade's door opens. The prisoner stops. The
guards unlock his CUFFS.

GUARD :

You're someone else's problem now.

The ex-prisoner STRETCHES his arms and strides TOWARD the

convoy.

PRISONER :

Yes. I. Am.

CUE SALT & PEPA'S 'SHOOP:'

Deadpool Final Shooting Script 11/16/15 5.

5 EXT. FREEWAY OVERPASS - DAY 5

DEADPOOL sits on the edge of the highest freeway on the overpass, legs dangling over the side like Huck Finn.

DEADPOOL:

Can I get some fries with that shake-shake boobie? If looks could kill you would be an uzi.

Deadpool is using some broken CRAYONS to draw something on a scrap of paper. REVERSE ANGLE to REVEAL a childish drawing of Deadpool SHOOTING another man in the head, brains blowing out.

The victim's thought bubble reads: 'OUCHIE!!!' Even through the mask, Deadpool looks pleased by this.

He turns to CAMERA:

DEADPOOL (CONT'D)

Oh, hello, Deadpool here. You may be wondering whose balls I had to fondle to get my own movie. Rhymes with 'Polverine.' Couple'a smooth criminals.

(ALT:

In a word, gorgeous.

(ALT:

Surprisingly little hair down there.

(ALT:

It's a jungle down there.

(ALT:

Thick underbrush.

(beat)

Anyway, I smell Oscar. The suit's gonna match the carpet. Now... places to be... faces to fix... bad guys to kill...

ANGLE ON a distant BIRD'S EYE VIEW of the freeway interchange: an interwoven tangle of ramps.

6 EXT. REMOTE AIRFIELD - MORNING 6

AJAX, 30's, dead-blue eyes, broad shoulders, whip-smart, tightly coiled stands at ease on a cracked and blistered tarmac. Behind him, a HEAVILY ARMED CONVOY OF DUCATIS and ESCALADES. FOUR LARGE ALUMINUM CARGO CRATES sit beside him. Ajax squints into the sun as A BELL HELICOPTER thrashes the air above him, kicking up dust as it lands.

A SERBIAN WARLORD, mid-50's, sharply dressed, armored BRIEFCASE in hand, climbs out. He is surrounded by ARMED GUARDS.

The Warlord places the BRIEFCASE on the FOREMOST CRATE. Ajax pops the case... to find STACKS upon STACKS of THOUSAND DOLLAR BILLS. Satisfied, he closes the briefcase and hands it to one of his men.

AJAX :

(bangs crate)

They won't disappoint.

WARLORD :

They'd better not. And next month's shipment?

AJAX :

There won't be one. Demand is high. You aren't the only one with a war to win.

WARLORD :

(steps forward)

That won't do.

Both sets of armed thugs shift to ready positions.

Ajax smiles calmly, but his free hand DARTS OUT and CASUALLY LIFTS the warlord into the air by the THROAT. Fingers find triggers on both sides.

AJAX :

There's been a small... disruption in our supply chain. We'll deliver in full the

following month. Say, ten percent off for the inconvenience?

The Warlord manages to nod in acquiescence. Ajax smiles again, lowers him gasping to the ground.

AJAX (CONT'D)

We appreciate your business.

Ajax spins and walks purposefully toward the line of waiting SUV's.

The warlord angrily motions for his men to begin loading the crates into the helicopter, which they do.

WARLORD :

(sotto voce)

Fucking mutant.

6 CONTINUED:

Behind him the convoy of SUV's and motorcycles pull out, falling into line as they accelerate past the rows of derelict aircraft.

7 EXT. FREEWAY OVERPASS - DAY 7

DEADPOOL watches as the convoy approaches. He CASUALLY gets up as if standing up out of an easy chair...

DEADPOOL:

On your mark, get set, go, let me go, let me shoop...

He PIROUETTES, and DROPS an entire level DOWN...

8 INT. ESCALADE - MORNING 8

THROUGH the SUNROOF of an ESCALADE. SMASH!

There are FOUR HUGE BAD-ASSES inside the S.U.V., two in front, two behind. Deadpool lands back-middle in a HAILSTORM of GLASS. He stuns the men to both sides with elbows to the face as he raises his arms in greeting.

DEADPOOL :

¡Hola! ¡Me llamo Piscina De La Muerte!

(subtitled, in YELLOW:)

Hello! My name is the Pool of Death.

There's no easy way to say this. I'm pregnant, Trevor.

(ALT:

Any of you seen Green Lantern? Me neither.

BOOM! MAYHEM ERUPTS as the two men in back find themselves sharing a phone booth with the TASMANIAN DEVIL: ELBOWS.

FOREARMS. KNEES. CRACKING. CRUNCHING. SCREAMING.

From BEHIND, the Escalade BUCKS and BOUNCES down the road on its suspension, almost CARTOON-LIKE.

A brutal punch spins Deadpool UPSIDE-DOWN, and he rolls with it, uses his FEET to BREAK the man's NECK. The other man stomps on his head, then drags him up and SMUSHES Deadpool's face into the seat's premium trim.

DEADPOOL (CONT'D)

Rich... Corinthian... Leather.

Deadpool HURLS the man through THROUGH the TAILGATE WINDOW.

The man clutches the TAILGATE, DRAGGED behind the S.U.V.

Deadpool sticks his head between the two guys in FRONT.

DEADPOOL (CONT'D)

Scuse, por favor!

The DRIVER SLAMS Deadpool's head into the console repeatedly.

DEADPOOL (CONT'D)

Ow. Ow. Ow. Ow. Ow.

Deadpool squirms away and WRESTLES VIOLENTLY with the guy in the PASSENGER SEAT.

He GRABS the PASSENGER SEAT-BELT, TIES it around the guy's ANKLE, and KICKS him out the PASSENGER SIDE DOOR. The guy's HEAD and SHOULDERS SMACK pavement, where he's DRAGGED mercilessly by his ANKLE - a modern COWBOY whose boot just got stuck in his horse's STIRRUP.

Deadpool grabs the driver by the HAIR on the BACK of his HEAD and BANGS his FOREHEAD into:

The horn. HONK. HONK. The stereo. Every time the driver's forehead SMACKS the face of the stereo, the RADIO STATION

CHANGES:

MARIACHI. DR. DREW. MONSTER TRUCK COMMERCIAL ('SUNDAY, SUNDAY, SUNDAY!'). One more SMACK to get us back to MARIACHI.

Deadpool looks in the REAR VIEW MIRROR to see the man in back CRAWL up the tailgate.

Deadpool PUSHES in the Cadillac's CIGARETTE LIGHTER.

Back to the DRIVER. Deadpool BASHES his face into the DRIVER's SIDE WINDOW. THUMP. THUMP. THUMP.

We're now OUTSIDE the Escalade, seeing the driver's expression take on a ridiculous silly-putty-esque grimace of pain every time it's MUSHED into the glass.

The man in back scrambles forward. The CIGARETTE LIGHTER POPS OUT. Deadpool YANKS the EMERGENCY BRAKE. The man in back LAUNCHES forward and SMACKS the DASHBOARD.

Deadpool STABS the now ORANGE-HOT lighter into the man's forehead, burning

the COIL PATTERN into his skin. The man
SCREAMS.

DEADPOOL (CONT'D)

Loved your work in Daredevil.

Deadpool stuffs the lighter INTO the man's mouth and CLAMPS his hand over
it.

8 CONTINUED:

The man hollers in muffled agony. A MOTORCYCLE has pulled AHEAD of the
ESCALADE and now sits, STOPPED, in its path.

The helmeted RIDER OPENS FIRE with a SUB-MACHINE GUN.

Deadpool has one hand grasped on the back of the driver's neck, still
mashing his face into the window glass, and the OTHER hand still clamped
over the second man's mouth. He

plants both FEET on the steering wheel and 'drives,' spinning the wheel,
sending the S.U.V. into...

...a ROLL. The Escalade goes ENDO, SOMERSAULTING WILDLY.

Suddenly, the ACTION BEGINS TO SLOW...

The motorcycle RIDER tries to bail out. NO LUCK. The
tumbling Escalade PLOWS RIGHT INTO him AND his bike.

Parts scatter off the motorcycle, including its CHAIN. The
RIDER continues to SQUEEZE off ROUNDS as he goes FLYING.

Inside the Escalade, Deadpool goes SPIN-CYCLE. The DRIVER
flies through the sunroof, tearing out its remaining glass.

BLOOD spatters. The other man spits out the glowing CIGARETTE LIGHTER. The
guy whose ankle is still tangled in the seat-belt FLAILS through the air
like a rag-doll, AHEAD tied to MOBY DICK.

The action CONTINUES to SLOW... until it FREEZES.

The camera swoops in to Deadpool's face, upside down.

HE TURNS HIS HEAD TO CAMERA FOR THE FIRST TIME, BREAKING THE
FOURTH WALL, THE ONLY THING IN THE SCENE THAT'S MOVING:

DEADPOOL (CONT'D)

Shit. Did I leave the stove on?

We RAMP back UP to FULL SPEED. The S.U.V. CARTWHEELS. The
guy's ankle untangles from the seat-belt. He FLIES high toward a big HIGHWAY
EXIT SIGN and... SPLAT... out of frame.

The RIDER's NECK is SLICED by the flying MOTORCYCLE CHAIN.

The DRIVER is half-way out the SUNROOF when the S.U.V. rolls over him.
SQUISH.

The man who ate the CIGARETTE LIGHTER now eats pavement.

The X-Men's COLOSSUS. A GOOD-NATURED GIANT with CHROME METAL
FOR SKIN. BIG AS A BARN. OTHER-WORLDLY STRONG. He is
sitting in the kitchen, eating a bowl of GRAPE NUTS and finishing a SUDOKU,
his attention suddenly drawn to a TELEVISION SCREEN:

REPORTER :

The assailant appears to be wearing a...

COLOSSUS REPORTER (CONT'D)

Red suit? Red suit.

With an audible CRACK, the pencil in Colossus' thick fingers
snaps. He rises, muttering Russian curses and stalks from the kitchen.

VC8 INT. HANGAR - MOMENTS LATER VC8

Massive STEEL BLAST DOORS emblazoned with a huge "X" slide open to reveal
COLOSSUS. He walks quickly and purposefully towards a big plane in the
center of the huge space: the

BLACKBIRD, the X-Men's modified XR-71 jet transport.

Struggling to keep up with the giant's long strides is a supernaturally
CUTE, supernaturally DEADPAN 15-YEAR-OLD GIRL,
in an X-MEN outfit. NEGASONIC TEENAGE WARHEAD.

COLOSSUS:

I've given Deadpool every chance to join
us. And what is my reward? More
immaturity and criminality! When will he
finally grow up and see benefits of
becoming X-Man?

NTW:

Like... The house that blows up every few
years? The fashion-forward jump-suits?
I need to get myself kicked out of X-
School.

COLOSSUS :

But I thought you were at top of class.

COLOSSUS:

Here. Protein bar, good for bones.

Deadpool may try to break yours.

NTW shoves the bar in a pocket of her coat without breaking stride.

9 EXT. FREEWAY OVERPASS - MORNING 9

The S.U.V. slides to a halt ON ITS SIDE, PASSENGER WINDOWS UP. The rest of the CONVOY is forced to stop BEHIND.

A BUNCH of MEN PILE OUT, each one carrying a BEASTLY GUN and POINTING it STRAIGHT at the disabled S.U.V.

The last noise is made by one final dislodged HUBCAP, which rattles in little circles until it lies FLAT on the freeway.

TWO SILENT BEATS. Then we hear the soft, ELECTRIC BUZZ of the Escalade's middle passenger window ROLLING DOWN. Up pops the HEAD of DEADPOOL, like the GOPHER in Caddyshack.

BANG BANG BANG BANG.

DEADPOOL :

Wait, wait...

The head drops, the hands come up. BANG.

DEADPOOL (CONT'D)

Wait! You're probably wondering. Why the red suit? It's so bad guys can't see me bleed. This guy has the idea. He wore the brown pants.

(to camera)

All together now...

The THUGS immediately OPEN FIRE.

Deadpool is already leaping upward, flipping backwards, bullets tearing the air beneath him as he pulls out those TWO MASSIVE .50 CAL PISTOLS... and in slo-mo, RETURNS FIRE.

Deadpool keeps count of every bullet he fires:

Deadpool FIRES the second pistol. We move instantly to the second shell: '00011'

DEADPOOL (CONT'D)

Eleven...

FULL SPEED. The first TWO THUGS get a MOUTHFUL of BULLET.

DEADPOOL (CONT'D)

Ten...

ANOTHER SHOT. A THUG takes one in the HEART. The other thugs POUR LEAD into the disabled S.U.V.

Deadpool LEAPS UP and OUT of the window, rising ABOVE the incoming shots, then LANDING SAFELY BEHIND the Escalade.

Deadpool TURNS to SPY a MOTORCYCLE RIDER BEARING DOWN ON HIM.

This rider wears a distinctive SILVER HELMET.

Deadpool raises BOTH pistols. This RIDER LEANS away, dodging each slug. First left, then right, then left.

DEADPOOL (CONT'D)

Nine. Shit! Eight. Fuck! Seven. Shit-fuck!

The bike WHIZZES PAST safely, firing bullets, DEADPOOL follows, leaping high, flipping over the S.U.V.

He lands smoothly the other side, right BEHIND a thug who's looking in the other direction as he sneaks around the car.

Deadpool SHRUGS and SHOOTS him in the BACK of the HEAD at POINT BLANK RANGE.

DEADPOOL (CONT'D)

Six.

The shell tumbles to the ground, falls still. '00006'

Deadpool opens the Escalade. His target is NOT THERE.

BANG-BANG-BANG-BANG-BANG. Deadpool is nearly BROUGHT DOWN by a particularly big thug with a particularly big AK-47.

He dives behind another Escalade, takes a moment to search the interior through the windows... and then flinches as AK47 bullets pass THROUGH the skin of the S.U.V. around him.

Then he scrambles AROUND the S.U.V., trying to close the distance to this guy through a WITHERING BARRAGE of fire.

Another of the AK's slugs SLICES a swath out of the mask on Deadpool's head, SINGING his hair.

DEADPOOL.

Fuck. You.

Deadpool lands in FRONT of the thug. The thug pulls his trigger again, only to - CLICK - realize he's OUT of BULLETS.

DEADPOOL :

Someone's not counting. Cinco.

The bullet HITS the thug in the throat. '00005'

DEADPOOL (CONT'D)

Me gusta cinco.

Deadpool STRIDES past the fallen thug, pawing at his singed hair - ow - and then out of sheer, pumped-up ANGER...

...turns and PUMPS TWO MORE SUPERFLUOUS BULLETS into him.

DEADPOOL (CONT'D)

Four. Three. Stupid. Worth it.

The SILVER-HELMETED MOTORCYCLE RIDER makes another pass, FIRING. Deadpool ducks behind the S.U.V. again.

20 yards away, a GROUP of thugs TAKE COVER behind the final S.U.V. One pulls out a HAND-GRENADE, RAISES HIS ARM to throw.

DEADPOOL (CONT'D)

(chuckles)

Number two...

Deadpool FIRES, SHOOTING the GRENADE in the thug's FIST.

BOOM! The whole CLUSTER of THUGS drops.

Deadpool emerges from behind the S.U.V., feeling victorious.

He approaches the final S.U.V. and throws open the doors to search, expecting to find his target at last.

Inside is a rumpled orange prison coverall, but NOT the PRISONER. Deadpool gets childishly angry.

Deadpool ducks behind the S.U.V. and raises a PISTOL. We ZOOM IN through the CHAMBER to spy the last BULLET, POISED infront of the FIRING PIN:

'00001'

Deadpool thinks, then LEAPS from behind the 'SCLADE, TWISTSforward and right.

All 3 THUGS FIRE again. BUCKSHOT rips into DEADPOOL's BACK.

But he LANDS so that all 3 men are now parallel to him...

DEADPOOL (CONT'D)

One.

BOOM! We're with the FINAL BULLET as it HURTLES from the gunand passes THROUGH the first man's head... then the SECOND

man's head... and SMACKS the third man in the forehead.

This third man, the BIGGEST THUG YET, HITS the DECK.

Deadpool puts his mouth to his pistol barrel, INHALES... andthen EXHALES smoke through the pores of his mask.

DEADPOOL (CONT'D)

I'm touching myself tonight.

But then, as if by magic, the third thug STIRS... and STANDS.

The SLUG has LODGED partway in his FOREHEAD, having lost just enough momentum that it didn't make it all the way through.

The thug sneers, plucks out the slug, wipes away some blood, and rolls up his SLEEVES.

I know what you're thinking...

The action SLOWS again to a FREEZE. Deadpool is in mid-slice, muscles bulging.

DEADPOOL (V.O.)

I'll bet he works out. So what if I am pulling the double shift at the ab-factory? What if I do want my man menu to feature the shredded beef? Call it insecurity. But I haven't touched a carb since...

JEREMY :

Y-yeah.

A beat. In a huge ANTI-CLIMAX, Wade deftly twirls his knife AWAY from Jeremy's chest, SPINS it on his finger, and JAMS it back into its SLEEVE.

WADE :

Then we're done.

JEREMY :

W-we are?

WADE:

Soft spot, remember? But even look in her general direction again? You'll learn in the worst of ways.

(pats Jeremy's cheek)

I've got some hard spots too.

(pauses)

That came out wrong. Or did it?

11 EXT. SKATE PARK - NIGHT - PAST 11

SKATE PUNKS carve on ramps built into the sides of a highway underpass. A group of TEEN GIRLS are perched at the bottom of the nearby stairs, texting each other from inches away.

An old-fashioned GHETTO BLASTER bangs 'SHOOP.'

SALT & PEPA

I love you in your big jeans.

GIRLS :

(join chorus)

You give me nice dreams. You make me wanna scream...

Boom. A PIZZA BOX lands at their feet. On top of it lands a POLAROID PICTURE.

WADE (O.S.)

"Oooo, oooo, oooo!"

A FRIZZY-HAIRED EMO GIRL picks up the Polaroid... of a terrified JEREMY

holding another pizza box that has been cut
into a heart, the words 'I'm Sorry' scrawled onto it, a PEESTAIN
on his JEANS, and a laughing WADE photo-bombing with the knife to his neck.
She looks UP to see:

Wade bobbing to the music.

How 'bout Vice Principal Renwiki?

WADE :

(suddenly serious)

What'd he do to you?

GIRL #3

Suspended me for smoking.

WADE:

(turns to go)

Good for him! Sorry, ladies. Me no digcigs. And I may look mean. But if I
give a guy a pavement facial? He earned
it.

Wade gives Meghan a smile, turns to leave.

MEGHAN :

Hey. Thanks. You're my hero.

The word catches Wade like a punch to the gut. Hero?

WADE :

That I ain't.

Wade doesn't turn back, walking through the swooping skaters.

A12 EXT. SISTER MARGARET'S - NIGHT - PAST A12

A grimy SIGN on a grimier brick building reads: 'SISTER
MARGARET'S SCHOOL FOR WAYWARD GIRLS.'

12 INT. SISTER MARGARET'S - NIGHT - PAST 12

Inside, society's DREGS. Chief among them, BOOTHE: a HUGE,

menacing hipster with a BOY SCOUT CAP and MASSIVE HANDLEBARMOUSTACHE. He's got some DUDE's fingers splayed out on the bar, jabbing a KNIFE POINT between them as fast as he can.

WADE shimmies past, backslaps BOOTHE:

WEASEL :

Wade Wilson, Patron Saint of the Pitiful.

What can I get you?

WADE :

I'd love a blow-job.

WEASEL :

We got that in common.

WADE :

The drink, moose-knuckle. But first...

Wade digs in a pocket, slaps the YELLOW 'HIT' CARD, the one with the CYPRESS TREE, on the bar.

Weasel goes to the register. Scans the card. Peels off three ONE HUNDRED DOLLAR BILLS. Lays them out like a bankteller. Wade PUSHES the MONEY AWAY...

WADE (CONT'D)

I ain't taking allowance money. Make sure it gets back to Ms. Osflorsky? Onroflensky? Olly-Olly-Oxen-Free?

WEASEL :

Orlofsky. For a merc, you sure are warmblooded.
Bet you let the boy off easy-

Weasel puts the finishing touches on the drink, pushes itacross the bar to
Wade.

WEASEL :

Kahlua, Bailey's, whip cream. Fellatio

A burst of laughter turns Wade's attention to BUCK, a BAD-ASSin a snakeskin

BUCK :

So he's staring at my Glock in his mouth,

(mouth full)
'I thought you guys had a code!' And I'm
like, 'Yeah, no kids. No women. Almost
fooled by your tits. But the moustache?!
The crowd CRACKS UP.

Wade pulls out Gavin Merchant's wallet and teases out a TWENTY. He grabs a passing waitress, tucks the bill in her shirt pocket and sets the blowjob on her tray.

WADE :

Kelly, you mind taking this over to Buck?

Tell him it's from Boothe.

(whispers, to Weasel)

WADE:

It's a dirty job... but someone's gotta take out the garbage.

Wade finally turns around to watch. BUCK finishes off

Boothe... then pours the BLOW-JOB on top of him.

WEASEL grabs a hand mirror, hops over the bar, and crosses to Boothe. All the PATRONS fall HUSH as WEASEL holds the mirror to Boothe's mouth. Boothe's BREATH FOGS it up.

WEASEL :

Still kicking.

The place 'ooooohs.' Near miss. Weasel returns to his place behind the bar, looking disappointed.

WADE:

Lemme guess. Ya got Boothe in Sister Margaret's dead pool.

WEASEL :

Um. See. About that-

WADE :

You did not bet on me to die.

(looks up at board,
incredulous)

You bet on me to die.

Wade leans back and looks up at an ENORMOUS CHALKBOARD hanging above the bar: 'Sister Margaret's DEAD POOL.'

VANESSA, horizontal, limbs akimbo, ASLEEP in bed. She stirs, feels next to her for Wade. He's NOT THERE.

REVEAL WADE standing at the bedroom window. His P.O.V. of the moon makes it look FRACTURED by the cracked glass.

RACK FOCUS to Vanessa's REFLECTION. She, too, looks fractured. Wade's eyes well with TEARS at the sight of her. Cancer will steal the one thing that ever mattered.

Vanessa's cracked reflection suddenly RAISES its HEAD.

They've made three of those movies. At some point you wonder if he's just a bad parent.

Wade lies on his back. Vanessa nestles her head lovingly against his chest. He takes a vulnerable look at her, then stares at the ceiling, LOST.

RS22 INT. APARTMENT - NIGHT RS22

Wade slips quietly out of bed...

...slips on a hoodie and a backpack...

...opens the door... takes one last longing look at

Vanessa...

...and slips into the hallway, closing the door behind him.

Vanessa is left to feel for Wade in the dark.

A22 EXT. STREET - NIGHT A22

WADE walks down the street into the night.

He pulls a crumpled card from his jacket pocket: the black card with the recruiter's number.

Still walking, Wade pulls out a cellphone and dials.

23 INT. SISTER MARGARET'S - NIGHT - PAST 23

Just another night at SISTER MARGARET'S WAYWARD SCHOOL FOR GIRLS. Regular crowd has shuffled in. Tonight, a bit thin.

WADE is bellied up to the bar, disheveled, unkempt, and distraught. WEASEL leans in:

WEASEL :

Jesus. Someone needs a blow-job and a shower. Though courtesy calls for the latter first.

WADE :

You're starting to sound like Vanessa...

With SHAKY HANDS, Wade empties his POCKETS, placing CRUMPLEDBROCHURES on the bar.

WADE (CONT'D)

She sent away for all these colorful clinic brochures. I hear Chechnya's nice this time of... never. Then there's China... Central Mexico... Know how they say 'Cancer' in Spanish? ¡El Cáncer.'

Wade pulls out one last thing from his pockets: A POLAROID of HIMSELF and VANESSA. He stares. Weasel notices.

WEASEL :

This belongs on the wall. I want to

remember you when you looked... alive.

Wade scrapes up a smile as Weasel tapes the picture to theBIG BAR MIRROR.

Weasel pours a second wheatgrass shot.

Clinks Wade's glass. They throw them back. WINCE.

WEASEL (CONT'D)

Almost forgot...

Weasel slides Wade a distinctive black BUSINESS CARD across the bartop.

WEASEL (CONT'D)

Guy came in asking for you. Real Grim

Reaper type.

Wade's gaze follows Weasel's gesture across the barroom, where an ominous MAN in a BLACK SUIT sits ALONE at a table.

WEASEL (CONT'D)

WADE dead-man-walks to the back of the bar. He passes BOOTHEand BEEF on his way. They nod solemnly, like cops at a funeral procession honoring one of their own.

BEEF :

Wade.

Beef offers Wade his shot. Wade eeks out a smile. Throws it back. Then continues on. Wade stops next to the MAN'STABLE.

WADE :

Forget your scythe?

The man, even creepier from close up, SMILES.

RECRUITER :

Mr. Wilson. Have a seat.

(Wade sits, long pause)

I understand you've recently been diagnosed with terminal cancer.

WADE :

Stalker alert.

RECRUITER:

It's my job. Recruitment. And you have quite a reputation. I'm sorry you've had

a tough go. But you're a fighter. And not just for Johnny Canuck, impressive as your stint in special forces was. Forty-one confirmed kills?

WADE:

One every seven weeks. Same rate most folks get a hair-cut.

Wade grabs the recruiter's drink and throws it back.

WADE (CONT'D)

To wash the taste out. It's hard to forget being so... impressive.

RECRUITER:

Now you spend your days sticking up for the little man, slitting small time throats for small time folks.

WADE :

I'd say you sound like an infomercial.

And not a good infomercial, like SlapChop. More Shake-Weighty.

(jack-off motion)

RECRUITER :

The world needs extraordinary men. We won't just make you better. We'll make you better than better. A super-hero.

WADE :

I already tried the hero business. Let's

24 EXT./INT. GUADALAJARAN CLINIC WAITING ROOM - DAY - PAST 24

A DILAPIDATED, SKETCHY MEDICAL 'CLINIC' haunts the cityscape in GUADALAJARA,
MEXICO.

WADE (V.O.)

For now, I'll get through this with the one I love.

A sickly-looking WADE is on the final stop in his futile
quest to find a cure. DESPERATE. Among the MOST DESPERATE.

He sits in a pathetic muzak-filled WAITING ROOM. Wearing a SOMBRERO and
clutching VANESSA's hand. Her fingers are interlaced in his, once perfectly
manicured nails chewed to the quick.

Vanessa is also wearing a SOMBRERO, and ANXIETY on her face.

Wade COUGHS SEVERELY, REPEATEDLY into a HANDKERCHIEF.

Wade turns to the sweet ELDERLY COUPLE sitting next to him,
ekes out a smile. The old man plays with some WORRY BEADS.

the treatment.

Wade looks pained to hear this.

WADE :

Cancer? Sorry - ¿El Cáncer?

ELDERLY MAN :

Stage four.

WADE :

Toughest part of the Tour de France.

VANESSA :

Very hilly.

The elderly man gestures to the souvenir PATCHES sewn onto Wade's 'HELLO KITTY' DUFFEL: CHECHNYA. CHINA. INDONESIA.

ELDERLY MAN :

Logging some frequent flier miles?

WADE:

Final stop on Desperation World Tour,

VANESSA :

'Final' because this is where we find the

The nurse looks coldly at Wade. He stares back, eyes hard,
then gets up and lays a crumpled dollar on the counter.

WADE (CONT'D)

It's on me.

The nurse blinks, then stands, checking a CHART.

NURSE :

Señor... Abe Solomon?

ABE and his WIFE get up. The nurse motions for Mrs. Solomon to stay in the waiting room.

ABE :

(to Wade and Vanessa)

Handsome couple. Good luck to you two.

Abe drops his WORRY BEADS. Wade bends to retrieve them, then stands with effort and gently hands them to Abe.

WADE :

Good luck to you, Pops.

Wade sits back down, and his eyes find the LITTLE BOY: his SUNKEN EYES. His MISSING HAIR. His LOLLIPOP, CLUTCHED like the richest treasure.

Wade turns to look at Vanessa, who's also staring at the boy.

Even though Vanessa is healthy, she, too, looks sick. No makeup. Dirty hair. Dark circles under her eyes. When she looks at Wade, it's clear she, not he, most needs comfort.

Wade pulls Vanessa close and strokes her hair with a trembling hand. Abe disappears. Wade watches with a newly dark look of suspicion.

25 INT. OPERATING ROOM - DAY - PAST 25

ABE lies shirtless on an UNSANITARY operating table, a tray of RUSTY surgical KNIVES nearby.

A MAN with a pock-marked face stands over him in a white labcoat with blue-stitched cursive writing: 'Dr. Delgado.'

DOCTOR :

Buenos días, Señor Abe.

'Doctor' Delgado pokes and prods with his fingers, as if Abe's mid-section is Play-Doh.

DOCTOR (CONT'D)

Voy a llegar dentro de tu cuerpo.

ABE :

I'm sorry. No hablo español, doc.

The doctor's other hand dips below the table, comes up dripping with something bloody. He kneads at wrinkled skin smearing the CHICKEN BLOOD across Abe's flesh.

DOCTOR :

De que se cure! Señor Abe, you are cured.

The doctor holds SMELLING SALTS under Abe's nose. His closed eyes jerk open to see the doctor's gloved hand CLUTCHING a huge, bloody 'TUMOR.'

Abe pushes himself up, peers down at his bloody abdomen with awe. The doctor wipes the blood away and helps him up.

ABE :

(tearing up)

Thank you. I owe you my life.

As Abe shuffles out, the doctor turns away to dump the 'tumor' in the trash and wash his bloody hands in a basin.

DOCTOR :

(over his shoulder)

¡Proximo! Next!

WADE (O.S.)

Already here, hombre.

...and uses it to SLIDE something out from underneath the table: a BUCKET of BLOODY CHICKEN GIZZARDS that double as removed 'tumors.' Wade's RAGE seems to grow by the INSTANT.

WADE :

Long enough...

Delgado senses he is suddenly in danger, picks up a rusty SCALPEL from his tray. Wade moves toward him. Delgado LUNGES, He STABS WADE in the shoulder, then RUNS.

Wade TACKLES him. In Wade's weakened state, the fight becomes an intense STRUGGLE. The two FALL and WRESTLE. The BUCKET of GIZZARDS overturns. They roll around in slop.

The doctor squirms out of Wade's grasp and crawls into the hallway. Wade

wiggles after him, tugging at his ankle.

26 INT. WAITING ROOM / HALLWAY - SUNSET - PAST 26

The MUZAC still plays. VANESSA smiles warmly/sadly at the little BOY, who is unwrapping his CHUPACHUP.

Suddenly... a SCREAM and cries for help in Spanish. The NURSE and an ALARMED VANESSA rush toward the shouting.

27 INT. HALLWAY - SUNSET - PAST 27

At last, WADE's fury has overcome his physical weakness. He straddles the DOCTOR's CHEST. His expression is that of a man who's LOSING his SHIT.

Wade RAISES THE SCALPEL, SLASHES at the doctor's throat, then STABS him in the heart. The doctor writhes, spasms, gurgles, and falls still.

Chest heaving, Wade raises his head to see... at the FAR END of the HALL: VANESSA - frozen, TERRIFIED. A blood-soaked Wade locks eyes with her and swims back up into SANITY... 'What have I done?'

30 EXT. DEADPOOL'S LAIR - DAY 30

DEADPOOL trudges to his FRONT DOOR. He speaks to the AUDIENCE:

DEADPOOL:

RECRUITER :

WADE:

Oh, and please don't make my super suit green. Or animated.

RECRUITER :

We hear WHISPERS, WHIMPERS, MOANS.

A FELLOW PATIENT, a pathetic, terrified little man named CUNNINGHAM, is wheeled past Wade, restrained on another STRETCHER. Cunningham briefly locks eyes with Wade, but quickly moves on by.

Wade can't help but be alarmed by the TERROR in Cunningham's eyes.

The tents are illuminated by BLINDING overhead lights. Wade spies GRUESOMELY INTIMIDATING MEDICAL EQUIPMENT.

Angel Dust wheels over a high-tech I.V. DRIP, complete with glass cylindrical tanks housing a glowing, viscous LIQUID.

Then she roughly straps Wade's NECK to the table. Wade nearly GASPS, the color now officially drained from his face.

WADE (CONT'D)

Easy! Aren't you a little strong for a lady? I'm calling wang.

ANGEL DUST :

You'd like that, huh. Welcome to our little hospital.

An UNLIT MATCHSTICK protrudes from Angel Dust's teeth - heridea of a TOOTHPICK.

WADE (CONT'D)

ANGEL DUST :

Angel Dust places a FINGER on Wade's FOREHEAD and SHOVES hishead back against the table - BANG - pinning it there.

AJAX (O.S.)

Enter AJAX, whom we know as the PRISONER from the RAFT with whom we've seen Deadpool tangle in the PRESENT. This is the first Ajax and Wade have met.

Ajax unsheathes an I.V. NEEDLE. Angel Dust up-tilts thetable 45 degrees, then readies a holographic monitor.

I'm about to hurt you, Wade. The kind of hurt I can't describe and you can't prepare for. It's cruel stuff. And there's no way out for you. No secret you can tell me. No soft spot in me to appeal to.

In fact...

I no longer feel anything.

Wade reacts by SAYING something - made UNINTELLIGIBLE by the surgical tubing. Ajax nods to Angel Dust, who slices the SURGICAL TUBING, SNAPPING it away and FREEING Wade to TALK.

WADE :

Ajax smiles WITHOUT opening his mouth, signals Angel Dust.

She slams Wade's head back again as he turns to leave.

Before he exits, Ajax hesitates, can't help but check his teeth in one of the surgical mirrors.

WADE (O.S.) (CONT'D)

Made you look! Hey, is Ajax your realname? 'Cause it sounds suspiciously made up. What's it really? Steve? Mark? Trevor? Kyle? (E.T. voice) Elliot? We hear LAUGHS from nearby tents. Wade is now playing for an audience.

AJAX :

Joke away. The one thing that never survives this place is a sense of humor.

WADE :

We'll see!

AJAX :

Your cancer cells are more aggressive than ever. Dividing and metastasizing at a fantastic rate.

WADE :

(broken, breathless)

Yippee.

DOCTOR :

But... the cells have inalterably changed. They're no longer destructive, but productive, selectively targeting and replacing damaged tissue.

WADE :

That was a lot of... what's the word... syllables. Are you saying I'm better?

DOCTOR :

Better than better. A miracle.

WADE :

(weak smile)

My Mom used to call me that.

(ALT:

Me and Jesus.

(beat, to doctor)

Thank you. I owe you my life.

Wade grows choked up. The doctor is taken with empathy and affection. He tenderly brushes the hair off Wade's forehead, of which the camera catches the tiniest glimpse. Wade's skin is not RIGHT somehow.

DOCTOR :

There. There. Your journey's been long and difficult. But you've become something extraordinary. Just rest now.

Rest.

The doctor slowly exits. Wade lies there. Actually relaxes.

36 EXT./INT. SCRAP-YARD / GROUND - DAY - PRESENT 36

Back in the PRESENT, we find ourselves in a huge SCRAP-YARD, where various ships, planes, etc. are sold for scrap iron. Among various vehicles is an OLD, BATTERED COMBAT CARRIER, long given up for dead.

A heavy truck navigates through the heaps of scrap-metal and grinds to a stop in front of the carrier.

Two heavyset MEN climb down and head toward the back of the truck, heave the heavy door open.

AJAX and ANGEL DUST stand just inside, boxes and gear piled up behind them. They hop down as four more rough-looking men pile out behind them.

Angel Dust drags out a WOODEN CRATE. The planks crunch as she digs her fingers into the wood and heaves it up on one burly shoulder as if it weighed no more than a sack of flour.

Heavy AMMO peeks through.

ANGEL DUST :

Better to be the hunter than the hunted.

Ajax and Angel Dust walk across the muddy yard toward a service elevator bolted to the rusting hulk of the carrier.

Instead, this old woman uses a BOX-CUTTER to lay waste to a BIG CARDBOARD

She lays out its components and tools on a wobbly IKEA NORNAS COFFEE

He inhales... then SPITS OUT the match into his waiting PALM.

Finally, he STRIKES it against the side of the Punch Bowl.

Wade aims the now FLAMING match toward the tiny HOLE through which OXYGEN flows. The match is quickly burning down. Will it reach the hole before it snuffs out?

Out in the ward, the FIREBALL curls outward, spreading from TENT to TENT. BOOM! BOOM! Other flammable tanks DETONATE.

The tents GO UP like ROMAN CANDLES. It's now MASS CHAOS.

ALARMS BLARE. Flames LEAP. Smoke BILLOWS. Patients FLEE.

A CURTAIN of FIRE suddenly DISPERSES, replaced by billowy WHITE SMOKE from an OVER-SIZED CHROME FIRE EXTINGUISHER...

On the other end of the oxygen tank, WIND-MILLING it with unbridled FEROCITY, is WADE.

WADE and AJAX SWING the oxygen tank and fire extinguisher like modern day CLUBS, trying to take off each other's heads. CLANG! BANG! BAM! The tanks COLLIDE in mid-air. Ajax's fingers CRUNCH between metal. He doesn't even feel it.

Wade grabs the HOSE of Ajax's fire extinguisher, angles it up, and gets his finger on the TRIGGER.

The extinguisher BLASTS. Ajax is momentarily BLINDED.

Wade brings the oxygen tank down like a LUMBERJACK'S AXE.

Ajax BLOCKS it, but is driven to his KNEES.

Wade's eyes are lit with fire. DOWN the tank COMES, again and AGAIN. Ajax takes his own fire extinguisher to the CHIN.

He tosses the tank away.

WADE :

A scream of terror behind Wade makes Wade turn.

Wade looks through the smoke and flame and spies a helpless Cunningham lying in the flaming wreckage.

WADE :

Wade drops Ajax and SPRINTS to Cunningham, starts dragging at the WRECKAGE

trapping him, when... SLICE! A long piece of sheared REBAR THRUSTS CLEAN THROUGH his CHEST from BEHIND.

The force sends the spear DEEP into the wooden floor beams, pinning Wade like an insect in an entomologist's display.

In a grand display of strength, AJAX BENDS the end of the rebar to keep Wade pinned... then walks around and squats down into Wade's eye line, wearing a triumphant sneer.

AJAX :

Say it. 'Francis.'

Blood dribbles from Wade's mouth as he tries in vain to push himself off the bloody spike of metal. Ajax rises, scans the burning workshop with a scowl - clearly a lost cause - and turns to leave.

WADE :

So what do you suggest? A mask?

WEASEL :

Not a bad idea! You... are... haunting.

Your face is the stuff of nightmares.

44A INT./EXT. MONTAGE - DAY/NIGHT - PAST 44A

A highly pleased DEADPOOL holds up the-soon-to-become-famous MASK for the first time, ushering in... a MONTAGE:

WADE, at SISTER MARGARET's, receives a YELLOW CARD with a Cypress Tree from WEASEL.

He turns a LUCHA LIBRE mask INSIDE OUT to reveal the classic DEADPOOL MASK we all know and love. Puts it on. Then dresses - piece-by-piece - in the RED UNIFORM we've come to know and love. And at last, UNSHEATHS A KATANA. The sword TWIRLS, SLASHES, LUNGES into shadow. A HANDKERCHIEF WIPES BLOOD from the BLADE. The katana gets SHEATHED again.

The same yellow card is now RECEIVED and PUNCHED by Weasel.

Wade is paid in TWENTY DOLLAR BILLS. WHIP CREAM froths onto a shot glass. A BLOW-JOB is TOSSED BACK.

Meanwhile, VANESSA plays SKEE-BALL wistfully by herself at the ARCADE:

SKEE-BALLS roll into HOLES. LIGHTS FLASH. TICKETS CHURN

OUT. VANESSA catches a reflection of someone STARING at her from across the lobby. When she spins around, the culprit is GONE. Vanessa SHIVERS... but it's a warm shiver, somehow.

A HEAP of TICKETS slides across the prize counter. A big STUFFED ANIMAL slides into Vanessa's arms. Vanessa tosses it

into an empty CLOSET inside her and Wade's former APARTMENT.

Then stares out the SPIDER-WEB CRACK in the window.

Back at DEADPOOL's LAIR, Deadpool places various suspicious accoutrements on the NORNAS COFFEE TABLE: an 8x11 framed

photo of VANESSA. A BOTTLE of JERGENS. A BOX of KLEENEX.

His BELT. His powder-blue CROCS. Deadpool kicks back on the FUTON. Smiles under his mask.

CUT TO:

looking up with a grossed-out frown: 'Am I hearing what I think I'm hearing?'

Next, DEADPOOL finishes plastering hundreds of ADVENTCALENDARS he's purchased onto one WALL of his LAIR.

When the wall is covered, he carefully pins the FIRSTornament onto the FIRST tree on the FIRST calendar.

And at last, his MASK comes OFF and his HEAD hits the PILLOW.

Instantly, the montage CRANKS UP its SPEED, with quicker andquicker EDITS. The visual totems that have just been introduced begin to FLYby... shorthand for the passage of time:

Yellow cards are given, received, punched.

Blades are unsheathed, sheathed, cleaned.

Whip cream sprayed. Drinks consumed.

Skee-balls rolled into holes. Tickets won. Prizes earned.

Tossed onto a EVER-GROWING PILE in the closet. VANESSA staring out her window.

Jergens pumped. Kleenexes pulled. Crocs discarded. BLIND AL's ears plugged.

Ornaments are pinned to calendars. Lords a-leap. Swans a-swim. Maids a-milk.

Mask comes off. Head hits pillow. Mask pulls on.

The images fly by FASTER... FASTER... FASTER.

Whip cream. Skee-balls. Crocs. Ornaments. Weasel.

Deadpool. Vanessa. Al.

'I NEED A HERO' plays faster and faster, too - higher andhigher, like a record on too many RPMs.

The effect is rhythmic... hypnotic...

...until finally, the montage REACHES a CRESCENDO.

And then BOOM! Ratchets back to REGULAR SPEED:

'CHRISTMAS MORNING' has arrived. All the calendars but one are now fully studded with decorations. DEADPOOL plucks out one last STAR to pin atop the final TREE.

Only it's not a star at all, it's AJAX's MUG SHOT clipped outfrom the old NEWSPAPER.

With great satisfaction, Deadpool pins the faded photo to thelast treetop. The music dies, and Deadpool turns to camera.

ANGEL picks up one over her shoulder with ease. She turns atthe sound of a sputtering motorcycle getting closer.

He steps off the bike while it's still moving, just lettingit roll forward and tip to the ground with a clank.

WEASEL :

DEADPOOL :

Deadpool STOPS in his tracks, STARING.

DEADPOOL (V.O.)

Every time I see her is like the first time.

REVERSE ANGLE to reveal what Deadpool is looking at: the gorgeous backside of a COCKTAIL WAITRESS in a skimpy dress.

Suddenly, the WAITRESS TURNS to reveal her face: VANESSA.

Deadpool immediately CHICKENS OUT, puts his head down, turns away from her into the press of MEN around one of the stages.

Vanessa catches the vaguest glimpse, but before she can get a better look, Deadpool is swallowed up by the crowd.

She gets that warm shiver again... the one that says she's feeling an old presence.

COLOSSUS steps forward into Angel Dust's path holding a pair of Adamantium HANDCUFFS just like he used on Deadpool.

COLOSSUS :

I'd prefer not to hit a woman. So

please place your hands behind your-

BOOM! Without stopping Angel Dust throws a RIGHT HOOK from her HEELS. The punch CONNECTS with COLOSSUS's JAW. He goes flying, SCRAPING SPARKS ACROSS CONCRETE.

DEADPOOL :

(sighs, points)

I also brought her.

NEGASONIC TEENAGE WARHEAD steps forward on Deadpool's right.

NTW chews her gum. Once. Twice. Then runs TOWARD Angel Dust, LOWERS her SHOULDER, and EXPLODES UP toward her with a

WICKEDLY THUNDEROUS BANG of ENERGY and SOUND.

Yes, Negasonic Teenage Warhead is exactly that - a living, breathing WARHEAD - like her own personal CANNONBALL.

It's Angel Dust's turn to go flying backward, smashing into - and completely trashing - a heavy metal shipping container.

DEADPOOL (CONT'D)

I feel sorry for the guy who tries to pressure her into prom sex.

Angel Dust regains her feet, smiles dangerously at the Mercs.

ANGEL DUST :

Never mind. Fire.

Deadpool grabs the still-woozy NTW and runs to the nearby cover of metal scrap, keeping between her and the gunfire.
Colossus, now back on his feet, strides purposely forward.
Bullets ping harmlessly off his metal skin. Angel Dust charges forward, snarling.

DEADPOOL :

(shouts)

Finish fucking her the fuck up.
Colossus stops, annoyed.

COLOSSUS :

Language. Please.

Then Angel Dust SMASHES into him. The two collide with earthshaking force. The sheer power of Angel Dust's momentum slams them backwards into-and through-a huge pile of scrap.

65 INT. FLIGHT DECK - DAY 65

AJAX pulls VANESSA forward to the edge of the carrier deck, forces her gaze downward toward the WAR ZONE below.

AJAX:

How does it feel? Ex-boyfriend abandons you, becomes a sanity-challenged killer mutant in tights...

VANESSA:

Says the sanity-challenged killer mutant in parachute pants. P.S. I've never played the role of damsel in distress.

AJAX :

'Til now.

Ajax yanks Vanessa away from the edge again.

66 EXT. SCRAPYARD - CONTINUOUS 66

Every MERC is pouring fire towards Deadpool's position. He hunkers down with NTW, her hands clamped tight over her ears.
Deadpool unzips a zipper, reaches into his suit at the crotch, YANKS. Grimaces. We hear fabric tear. He pulls his hand out, waves a pair of torn TIGHTIE-WHITIES up from behind cover.

DEADPOOL (CONT'D)

You guys only work for that shit-spackledMuppet fart! So I'm gonna give y'all thechance to lay down your firearms inreturn for preferential - bordering ongentle - possibly even lover-like treatment.

The Mercs ignore him, opening fire AGAIN with a vengeance.

Deadpool ducks and drops his tightie-whities.

DEADPOOL (CONT'D)

Fine. Commando.

(to NTW)

Stay down, kid. Unless your power'sstopping bullets.

Deadpool SURGES forward, dives from cover, rolls. He comes up boot knife out, arm whipping forward-

The nearest merc's head snaps back as the knife buries itself to the hilt in his eye socket.

Deadpool sprints forward, zig-zagging, leaping, spinning ashe closes the distance to the mercs. He's moving too fastfor their guns to track. Bullets chew up the ground behind.

Deadpool reaches the first pile of twisted metal, slidesunder, comes up behind two mercs taking shelter there. The

first man turns, gun barrel swinging 'round. Deadpool ducks, sweeps his legs, grabs his gun as he goes down.

Deadpool rolls over him, firing BACKWARD into the man's facewhile spinning up to smash his boot into the face of thesecond merc. He slides past, firing a burst backward intothe merc's neck as he falls.

Seconds later he's leaping OVER the heads of the next pair of mercs. They turn to fire up at him - too slow. He fires short, controlled bursts down into their upturned faces.

BOOM! BOOM! BOOM!

Deadpool lands, tosses the empty smoking gun. Then slowly, lovingly, unsheathes his Katanas.

66 CONTINUED:

Deadpool is running forward now, weaving his way through the wreckage. Hunting.

67 EXT. SCRAPYARD - DAY 67

COLOSSUS and ANGEL DUST engage in a BATTLE ROYALE. Colossus grabs Angel Dust by the SCRUFF of her NECK and HURLS her into an ABANDONED AIRCRAFT. CRUNCH.

Angel Dust is on one knee, shaken, disheveled, one BREAST hanging out of her torn flak jacket.

The prim Colossus covers his eyes.

COLOSSUS :

Uh... you seem to have, um...

Angel Dust smiles, tucks the wayward boob back in, then BLASTS Colossus with a FLYING KNEE that generates SHOCK WAVES so powerful, Colossus' CHROME actually RIPPLES.

Colossus growls and CHARGES AGAIN.

CUT TO:

DEADPOOL spins around a corner as another pair of MERCS move forward, guns raised.

Deadpool dives under their fire, guts them in blurred flashes of steel.

THRUST! SLICE! IMPALE! COMPLETE MAYHEM.

Another trio of mercs rush around the corner, opening fire as they see their comrades fall. DEADPOOL runs toward them,

flips and dodges like a whirling dervish, bringing GUARDS down in surgical, artistic fashion, as if where he's killing them means as much to him as how.

Two men converge on Deadpool. He JUMPS. Mid-air, he flips his TWO KATANAS, GRIPS them upside-down like ICE PICKS, and STABS down in an arc to either side, SKEWERING two men

through the TOPS of their HELMETS.

A final merc comes around the corner and Deadpool spins, slices the strap of his gun, kicks the man in the chest, knocking him flat on his back and sitting on his face.

DEADPOOL :

Tea-bag!

DEADPOOL :

Bob, y'mind taking a half-step right?

No, your right. Never mind-

Deadpool KNOCKS Bob OUT with the sword's GRIP, then NUDGEShim sideways gently as he falls.

At last, SILENCE. Deadpool steps forward. Then looks uptoward the carrier above, waves.

DEADPOOL (CONT'D)

Yoo-hoo!

From above, AJAX peers down sees that Deadpool has killed hishenchmen in such precise positions that their fallen bodiesspell out:

Deadpool moves forward. LIMPING. CHARRED. TATTERED. But unbowed.

AJAX :

That never gets old. But neither will you.

Right on cue...

...three more Mercs appear to either side of Ajax, armed withHEAVY MACHINE GUNS - much NASTIER than any we've yet seen.

Hey!

ANGLE ON:

crouched under a broken PLANE WING.

NEGASONIC TEENAGE WARHEAD (CONT'D)

Climb on.

Deadpool nods, then sprints toward her, springs high, flips, and lands on his back, spread eagled on the wing.

DEADPOOL :

Light the candle...

NTW nonchalantly SPITS out her GUM, crouches, and... EXPLODES UPWARD. The wing LAUNCHES up in a shallow PARABOLA, Deadpool CLINGING for dear life on TOP.

68 EXT. FLIGHT DECK - CONTINUOUS 68

Four MERCS continue firing down as the wing soars up.

The WING SMASHES into them. All four go FLYING. Two end up DEAD under the wing.

AJAX is thrown backward.

One MERC lands, stunned, close to the edge. A LONG BEAT.

AJAX rises to his feet.

Then DEADPOOL pulls himself UP over the edge of the carrier and ROLLS onto the deck. He looks like he's been through a meat grinder - limping, scorched, bloody.

Deadpool staggers to his feet. The last injured MERC lamely tries to GRAB his ANKLE.

DEADPOOL:

Your plan to trip me to death? Has failed.

Deadpool nonchalantly STABS him through the back of the neck like a butterfly on a display, then turns to face Ajax.

VANESSA :

AJAX:

DEADPOOL :

You never left.

VANESSA :

But you did, asshole.

AJAX:

You two have a lot to work out. Take a
deep breath. Wait. Wrong choice...
Ajax quickly CLOSES the LID and hits a SWITCH. Vanessa
starts taking short, desperate GASPS.

Ajax squats down and picks up TWO STEEL-HAFTED FIRE-FIGHTINGAXES, each with
an ULTRA-SHARP BLADE on one side of its head
and an EQUALLY SHARP CLAW on the other.
Deadpool raises a KATANA and HURLS it NOT at Ajax, but thePUNCH-BOWL. The
blade PENETRATES the PLEXI and tears into
the RESTRAINT holding Vanessa's RIGHT WRIST, partly FRAYINGit. AIR seeps
through the CRACK. Vanessa catches a tinyBREATH. She TUGS on the frayed

69 EXT. SCRAPYARD - CONTINUOUS 69

Angel Dust FALLS, then RISES, RIPS OFF the WING of a PLANE, and BLASTS Colossus with it... first like a BASEBALL BAT, then like a GOLF CLUB, then like a COUNTY FAIR MALLETS you use to try to ring a bell. CLANG!

A battered NTW RACES toward Angel Dust. Angel Dust swings the wing, but NTW BASEBALL SLIDES UNDER it and EXPLODES up into her chin.

Angel Dust is lifted off her feet into the side of the carrier, BUCKLING some of its supports. NTW rolls aside.

70 EXT. FLIGHT DECK - CONTINUOUS 70

And now, we get what we've been long been waiting for:

THE FINAL CLOSE QUARTERS BATTLE between DEADPOOL AND AJAX.

AXES vs. KATANA, TEN STORIES UP...

AJAX TAKES a MIGHTY, ROARING SWING with an AXE.

DEADPOOL :

Yowww!

STEEL SINGS as AXE and KATANA meet again and again. THRUSTS.

PARRIES. SPARKS FLY!

THUNK! Deadpool's BLADE passes through Ajax's THIGH and pins him to a piece of wreckage.

CRACK! Ajax tags Deadpool's head with the FLAT of an axe.

SNAP! Ajax BREAKS the sword's blade with an AXE, not feeling anything as he slides his leg off the sword.

GASP! VANESSA grits her teeth, pulls against the restraints.

Deadpool's red suit has torn away, and the SKULL of his TATTOO bleeds from a HOLE in its FOREHEAD. Deadpool GRITS his TEETH and YANKS the AXE from Ajax's grasp. A spinning KICK sends the second axe flying after the first. Now they're completely unarmed.

AJAX :

Fine. Fists.

DEADPOOL :

Sounds like your last Saturday night.

The sense of humor survived.
AJAX and DEADPOOL TRADE VICIOUS PUNCHES. It's HAGLER vs. HEARNS! BOOM! BOOM! BOOM!

DEADPOOL is starting to LOSE CONSCIOUSNESS when he turns his head to one side and spies the PUNCH-BOWL.

ANGEL DUST :

NTW fights back valiantly, PUNCHING fast and hard with FLURRIES of ENERGY.

Angel Dust is scorched and battered by the blows, but her adrenaline and rage SURGE. She grabs NTW around the neck, plants her into the ground...

Loose wreckage begins to slide and tumble past. A shipping container barrels towards them and Deadpool kicks Ajax backwards, right into its path. SLAM! It plows into him and carries him with it as it disappears over the side. Deadpool scrambles and claws up the tilting floor and grab hold of Vanessa. Deadpool looks around frantically...

Deadpool grabs the side as it slides past and throws VANESSA inside and SHUTS the LID for protection...

COLOSSUS :

You're OK. Take it slow.

Elsewhere in the rubble pile DEADPOOL's HEAD POPS UP from some DEBRIS, again, like the Caddyshack gopher.

DEADPOOL :

Deadpool is just staggering to his feet when AJAX emerges from under another BEAM and TACKLES him.

DEADPOOL (CONT'D)

DEADPOOL (CONT'D)

Wham! Wham! Wham!

BAM! BAM! BAM. Bam. You can feel Deadpool's adrenalized catharsis. Ajax tries to block-CRACK! Deadpool shatters his elbow. Ajax other fist swings round, tags Deadpool, but he catches it, wraps it tight-SNAP!

Wait... you expected a tease for Deadpool
2?! Maybe a little Samuel L. Jackson?
Sorry, that budget went to Weasel's
Ketamine habit. But if you can keep a
secret, I can tell you who's gonna be in
it. Cable! You're allowed to show your
pleasure. I'd love Liam Neeson for the
role, but Liam likes to get paid. And
more for Liam means less for me. So we'd
best crowdfund the shit. Depending on
your level of giving, you could receive a
Colossus-brand desktop steel-ball
clacker, a Dwayne 'The Rock' Johnson real
doll, or four minutes alone in a room
with Charlie Sheen. Donate now! And
shalom!
